Summary of Client Feedback

The initial prototype of the first phase of the project was presented to the client, who suggested the following changes for the landing page.

Requested Changes

1. Design and Visual Structure

- **Navigation Bar:**
The navigation bar must remain visible while scrolling through the page content.
- **"Contacts" Section:**
Add a WhatsApp button to enable more direct communication with clients.
- **"Registrations" Section:**
Include a registration form for those who want to join the club without additional steps.
- **"UN Models" Section:**
Add an image carousel for each model, along with more detailed information about the debate models.
- **"Home" Section:**
Add an event carousel showcasing the club's achievements on the homepage.
- **About Us:**
Include information about partnerships and a section displaying their social media links.

2. Text Content

- **Minor Corrections:**
Add more information to provide a complete version with all the final content.

3. Interactive Features

- **Social Media Buttons:**
Add icons for Instagram and TikTok with their respective links.

Approval and Follow-Up
